Each student, whether he be Student Body president, or Chess Clan president, has contributed to the spirit at Ben Lomond High School. There are several organizations that add to the success of B.L.: the National Honor Society, ROTC, sports, choir, clans, Senate, and many more. Each of these organizations has spent many hours of rehearsing the concert, drilling, studying, and practicing to be the best. Often it's a difficult road to success, but each student at Ben Lomond at least strives for it. There have been quite a few successful graduates

from Ben Lomond: Dr. William DeVries, the successful heart surgeon; Glen Hubbard, Atlanta Braves 2ND baseman; Richard Stallings, United States Congressman for Idaho; Rob Remkes, F-16 fighter pilot, graduate from the Air Force Academy; and Rich Clifford, Astronaut Corps, professor of Thermo-Dynamics at West Point in Annapolis, Maryland. Ben Lomond's greatness comes not only in those who have already succeeded, but also in all of you who will succeed in the future because you . . . Give It All You've Got.

Taking time to enjoy high school life is often forgotten.
We could take pride in our team this year.

The Spirit Clan supports the team at the Iron Horse Game. Coach Johnson does all he can to make Ben Lomond a great school.

Michelle Brown gives a pep talk during one of the assemblies. Even at play, Jamie Youngman works hard.

OVERCROWDED BEACHES AT THE DAM. Being the main fun-in-the-sun spot this summer the place was filled with boats, tubes, beverages (?), and lots of blaring music. **DAY TIME DRAMAS.** Staying home checking into General Hospital and making sure all's well on the Days of Our Lives was a full-time summer job. **WORKING FOR A LIVIN'.** Earning big time bucks for the expensive teen life was (and is) important to students. The dollars become scarce in the sometimes unbearable life of a high school student. There comes a time when pay checks are more important than T.V. or even dates. **YELLOWSTONE AND DISNEY-**

LAND. It's always fun to pack up suitcases and cameras and dress up like your favorite tourist. Some of the most favorite spots are the scenic areas of Lake Powell, the Grand Canyon and any ocean side. Summer is a time for making new friends and, unfortunately, losing track of some old ones. Ask any student the question, "What's one thing you don't like about summer?" and many times the answer is, "I love the sun and fun but I miss the social life of school."

Among the crowd, Mr. T clears the beaches of all "fools." Kristie Larnone stares as a gorgeous stud struts by.

A colorful sailboat adds beauty to the dam.

Young and old alike enjoy the friendly shores of Pineview Dam.

A photograph of a small boat on a body of water, with a shoreline and trees in the background. The boat is small and dark, possibly a rowing boat or a small motorboat, and is positioned in the middle ground. The water is calm, reflecting the light. The shoreline in the background is lined with trees and some buildings, suggesting a park or a waterfront area. The overall scene is peaceful and scenic.

and Hoot Mon

As the school year is about to start, students frantically go about obtaining the perfect, deep, dark tans, the almost missed vacations and left in on as many soaps as humanly possible. The shopping malls suddenly become packed with frantic mothers trying to find the bargain on a pair of 501's. No one really wants to think that another summer has just gone by. Teachers all start showing signs of insanity and, after spending hundreds of dollars on psychiatric help and Mediterranean cruises. The inevitable finally happens. When the last of August hits, school starts. (The two dirtiest words you could say to a student are "school starts.") To help things out, the administration gives us a stomp to get back in touch with friends we haven't seen since last May. Because the Scottish words "hoot mon" mean hello, we call the dance the Hoot Mon Stomp. This year it was held after school started instead of before, but this activity worked out well anyway.

OPENING

Assembly

Cheerleaders and Mascots add to the spirit of the Opening Assembly

Crowded in the new gym . . .

Scots begin the year.

This year the Scots came back to a little different scenery for the traditional Opening Assembly. Due to the fact that the big gym was painted this summer, the assembly was held in the girls' gym.

All of the officers stood in a military-style skit for a roll call and gave their views on the new year. The teachers attempted a skit of a war match. The Performing Arts did a well choreographed dance.

The Bonnie Lassies performed a drill and acted out a skit that they had made up. No one will soon forget that Valerie Bielik voiced her intentions to smoke in the boys' room.

The Mascots and Cheerleaders did their part to try and help raise the spirit of the Ben Lomond student body. Mr. Sant gave the principal's forever optimistic hopes for the coming year.

Everyone who helped with the Opening Assembly deserves congratulations. They did an excellent job of continuing the tradition of our Ben Lomond Opening Day Assemblies.

The Freshmen attempt to make the best class of the year with their own assembly.

IRON HORSE

Week

The Iron Horse Game started with a stunning blow to the Scots. On the kickoff, the Iron Horse scored a touchdown, and an early lead. The Iron Horse set back the determined Scots team. They dominated the game from this point on. The game went down in history as the Eddie Green was the first to score a touchdown in the quarter. The Iron Horse couldn't have done it without the great quarterback like Sam Broad, Rich Jackson, Paul Watson, Val Christensen, Matt Baker, and many more. Both of the lines helped crush the Tigers in the stunning 33 to 18 victory.

Moving the ball was no hard task in this game.

Homecoming Week was filled with fun and excitement. Some of the week's activities were Pizz-Nut, the Wheel, and the Spirit Day. Wednesday evening many of the Scots took part in a Polaroid Party in which they went around to certain scenes and took pictures. Each group had approximately six or seven people with a One Step camera. Friday the Scots attended an assembly with great enthusiasm. The Homecoming Assembly was the first assembly on the newly painted gym floor. The Homecoming Royalty was announced. The King and Queen were Darin and Jamie Youngman. The 2nd Attendants were Jeff Hass and Karen Fanning. The 1st Attendants were Rob Puck and Linda Miller. In the game the Scots were victorious against the Sky View Bobcats. The Homecoming Dance was from 8-11 p.m. The colors were peach, blue, and ivory. "Tracks" was the band and Lund Floral was in charge of the decorations.

FROM CRASHES TO CONCERTS . . .

The disease that has spread through homosexual acts and dirty needles by drug users. Aids has left the nation shocked and lost for answers. No cure is seen in the immediate future.

After months of suffering, and trying to find a cure, Rock Hudson died in his California home of Aids. Many friends, family members and fans mourned his death.

In October, President Reagan underwent surgery for cancer on his nose. When he was approached by the media, he explained why the bandaid was on his nose. At the time of the surgery, he was 72.

This summer the Live Aid Concert raised money for famine relief. The concerts were broadcast simultaneously from Philadelphia and London. The concerts lasted 16 hours with many stars performing. The concerts were seen in 150 different countries.

On November 8, 1985, President Spencer W. Kimball died of natural causes in his penthouse. He served for 17 years as the President of the Church of Jesus Christ of Latter Day Saints. Church members and the world mourned his death, and the world expressed regret and sympathy.

This November, Ezra Taft Benson was ordained the new president of the LDS church, during a special news broadcast. It was announced to the world that his counselors were Gordon B. Hinckley and Thomas S. Monson. Many people questioned the calling of the new prophet because of his past experience in the government. The age of the new prophet (82), brought up questions.

WHAT MADE NEWS IN '85.

In November, Ronald Reagan and Mikhail Gorbachev met for the first time in Geneva, Switzerland, to discuss the differences between the two superpowers. Great progress was made between the two leaders.

A big issue this year was President Reagan's "Star Wars" plan. It is said to be programmed to destroy incoming missiles through the use of high-powered lasers. Much controversy has occurred over this plan.

In October, a Soviet KGB agent, Vitaly Yurchenko, defected to the U.S. He relayed information to the CIA about other spies in the U.S. Government. He re-defected back to the Soviet Union and said that the CIA tortured him into relaying the information.

The Chicago Bears lost their 12-0 winning streak by losing to the Miami Dolphins. During the game, Walter Payton gained the honor of having 8 consecutive games with 100 yards or more, setting a new all-time record. Dan Marino was awarded the most valuable player award in the game.

In November the royal couple visited the White House. They attended a few banquets and a church service. In London, they attended a dinner where the tickets were sold for \$25,000 a couple. If you wanted you could take away from them, the price went up to \$50,000 a couple. All the money was donated to the Red Cross.

1985 will go into the record books for being the worst year in aviation history. Five major crashes have occurred, killing 1,948 people, more than any other year in aviation's young history. Tragedy started with the Liberia Air Lines Boeing 72 crash, and extended to the most recent of the Arrow Air DC-8, killing 248 soldiers of the 101st Airborne Division.

Dance

Every year the Scots take part in a casual bash. This year was no different. The annual Morp Dance was held on January 24. Several of the students dressed up in creative outfits. The main idea was to dress opposite of the Prom. The dance was put on by the Inter Clan Officers who did a terrific job. The new gym was decorated with blue and white toilet paper. There

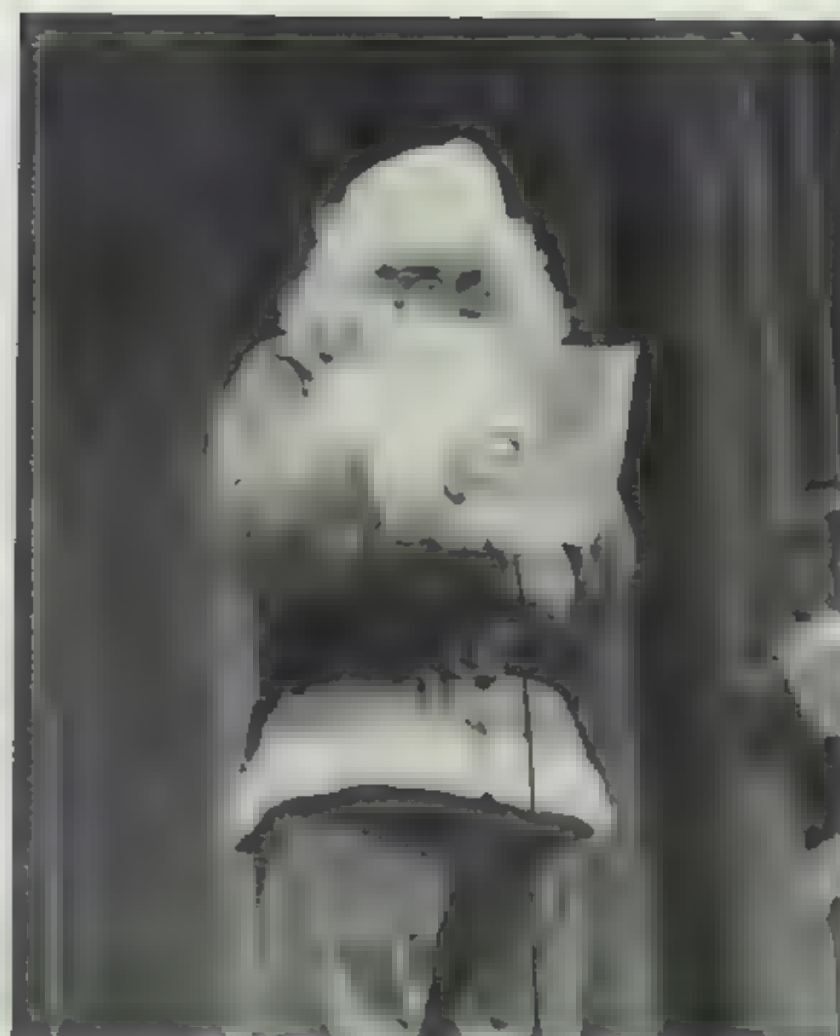

was root beer slush to drink. Balloons streamers and a fountain with sundaes served as a background for the pictures. The theme song was "Party All the Time" by Eddie Murphy.

Even the best dances serve to

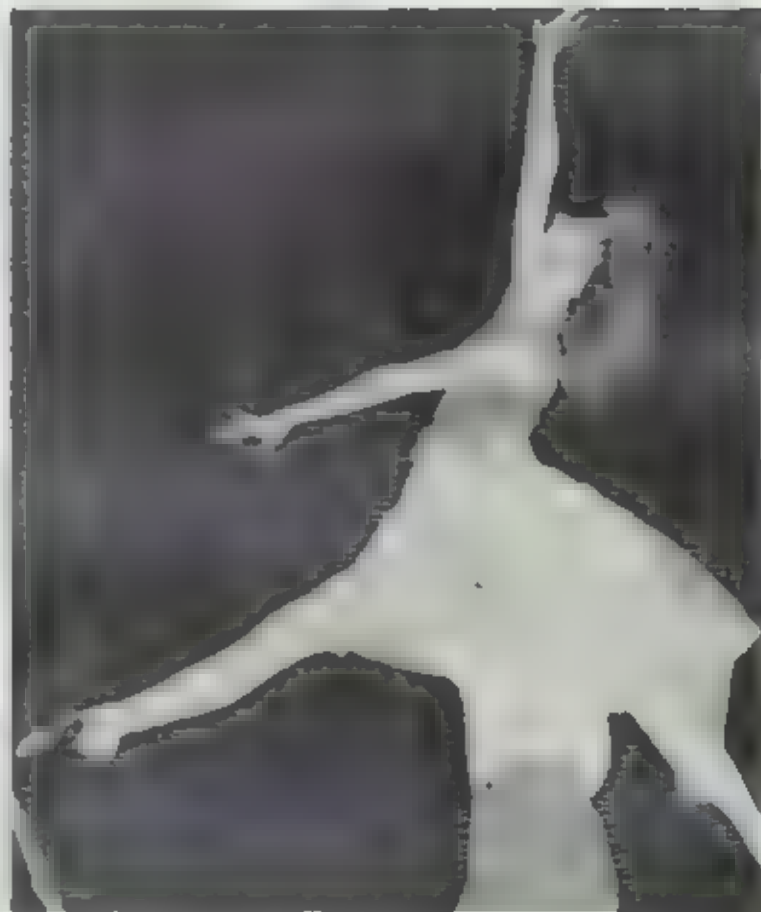

Tracy, Mindy and Peggy

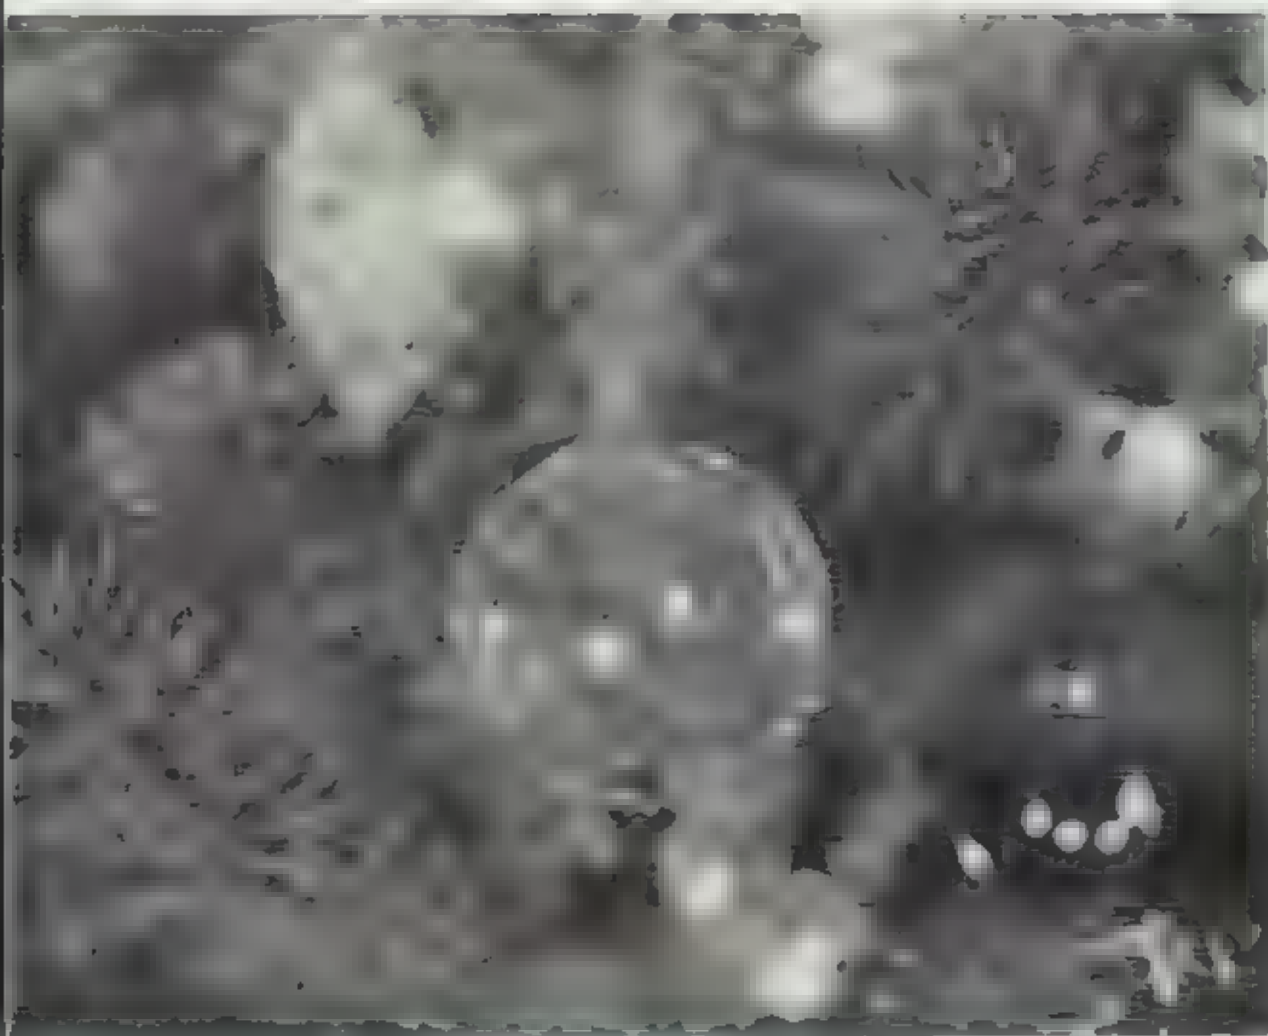

On December 20th the last day of school before Christmas vacation, we had the annual Christmas Assembly. The Performing Arts Dance Group performed for a large portion of the assembly. They set the mood for the evening with a spirited dance. All of the dances was performed with great skill. It was a real joy to watch the dancers were very professionals. The Musical was also performed Christmas music: "Jingle all the Way" and "Santa Clause is Coming to Town". They were excellent in stage performances. The Drama Clan did a skit in which they had the entire audience laughing. Of course, we can't forget the annual Santa Snow and crowning the Greenhaugh's Little Christmas King and Queen. Michael Harris Santa Clause and read a letter from many Christmas kids from those who wrote to him to ruin everything up the student here. In closing a song "A Little Girl's Note for Christmas" from a final number the Concert Choir performed and sang "Still, Still, Still" to wish the Scots a Merry Christmas and A Happy New Year.

Lives

As sands through the hour
glass so are the
days of our lives.

As we begin the adventures of our friend 'the Scot' he is being rudely awakened by his blaring clock radio. Little does he know his dramatic day has only begun. Waking up late (and on the wrong side of the bed) "Scottie" spends his whole morning a not so pleasant one. Breakfast consists of a Twinkie and Coke, for "Scottie". He travels to school on foot. The late period tardy bell rings and he is found in his seat ready for a vigorous day of work. Minute by minute the day continues until the anticipated, long awaited 2:30 bell finally rings its blaring voice through the empty, but soon to be filled halls.

Scottie, fighting his way through naive freshmen, hyper sophomores, preppy juniors, and classy seniors, finally makes it to his locker, where homework is waiting-homework that may ruin his social life forever.

WEEK

Scots Week was full of fun for the studentbody. Monday was ski day at Snow Basin. Everyone showed up and had a day on the slopes. Tuesday we had a beach party at our swimming pool. It was time for digging through drawers to find the swimwear that everyone thought wouldn't make an appearance after June or July. The turn-out was great. On Wednesday we met at Peter Piper Pizza for a pizza party. It seems as if pizza parties are becoming a tradition of Ben Lomond. Thursday was movie night. We met in the auditorium and watched "Take Down". A movie about the struggles and triumphs of a high school wrestler. Friday night was the victory game against the Ogden High Tigers with the score of 80-70 made the week complete.

"One Bright and Shining Moment"

This year's Sweetheart Ball was a big success. Many were in attendance. The theme song was "Lady" and it was performed very well by the musical group, Amber. The scene was set in the medieval ages with a castle. Many girls' dreams came true when they went to the prince charming. We would like to thank the Student Body officers for making the Valentines Dance the best it could be.

Weeks

Throughout the 1985-86 school year, each class participated in their own class week. The spirit was overwhelming and left the Scots in an uproar. The Freshmen Week was held during the Homecoming Week. The activities included Pizza Night, Crazy Date Night, Movie Night, and Red, White, and Blue Day. The Sophomores held their week in January and the activities were Taco Time Night, Crazy Date Night, Movie Night, Pizza Day, and 501 Blues Day. The Junior Class Week was held during the week of the Junior Prom. The Seniors held their week at the end of the year. This week included the traditional Senior Cot.

of the Clans

The Inter-Clan officers met at the beginning of the Gathering at the Clans Assembly. The crowd was really excited and surprised by the excitement. The basketball team was introduced and the captains gave the students a pep talk on how they would massacre the Tigers at all times. Several clans got into the spirit with activities. The Ski Club had a relay race where people dressed up in beanie hats, scarves, etc. and raced the length of the gym. The Tigers won this one. The traditional ping-pong contest was won by Jeff Petersen for the Sevens. The Bridge class and ROTC had the traditional law war. The ROTC won again. This year a new new tradition was started at Ben Leonard. The Scottish Regiment has adopted a new song, "Mac De Vire to the Band." He played a song for the student body and he played the song for the band with the band and cheerleaders. A special thanks goes to the school for a great and week.

DeeDee Baptist

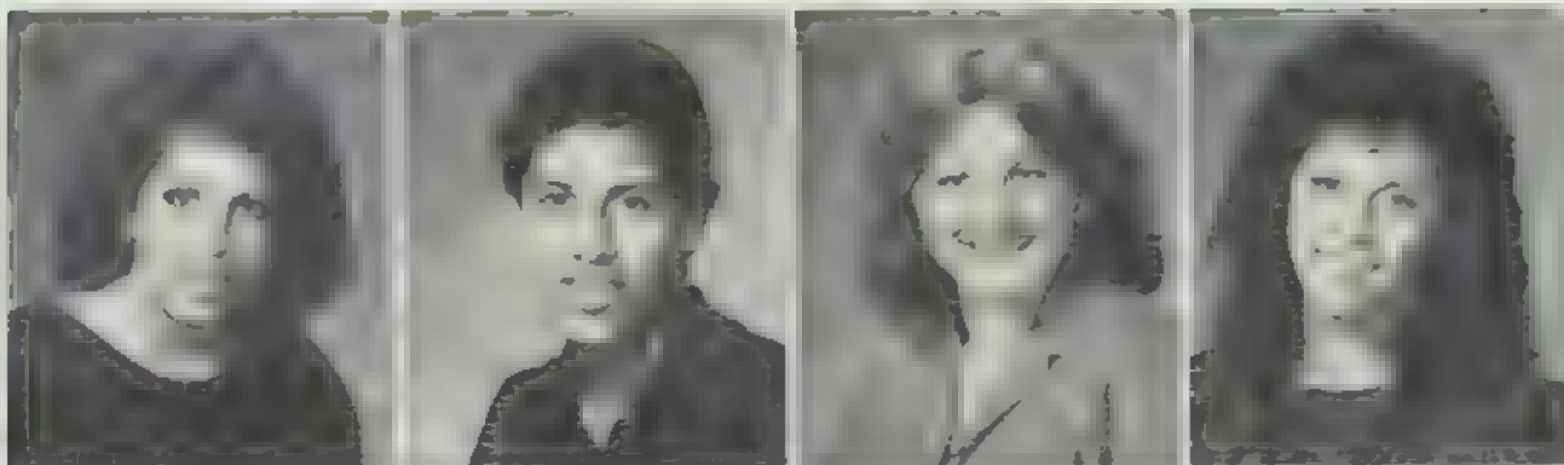

When I ran for Senior Class secretary, I didn't know how much work I was getting into. With graduation, homecoming, and assemblies, the office calls for a lot of hard work and time. If I had the chance again, I would not hesitate to run for office. I want to go into college after high school. BYE, I would be most proud to be a Weber State graduate. I have really enjoyed my time at Ben Lomond. I will miss the school days that I have made in the four years here. Good luck to the class of '80. We will always be number 1!

Rob Puzey

Being a senior student, becoming this year's high school yearbook editor has also been very fun. From our activities in the summer, to the yearbook, to our school, we have enjoyed every minute. I have enjoyed my time at Ben Lomond. I will miss the school days that I have made in the four years here. Good luck to the class of '80. We will always be number 1!

I ran for Senior Class vice-president because I really wanted to be involved this year. I have enjoyed my time at Ben Lomond. I will miss the school days that I have made in the four years here. Good luck to the class of '80. We will always be number 1!

Junior Class Officers

Being in office has been a great experience. It helps me get involved in school activities, and gives me the opportunity to meet new people, and have a greater appreciation for the administration and faculty.

Leslie and Matt are real fun. We work together to help make B.L. a better place.

Chad Parkinson

I ran for office so I could help the juniors get a lot out of this school year. I would like to run for office again if I have the chance because I learned a lot about the administration, I got to know the students better, and learned a lot about responsibility. I've come to understand the school better and I have really felt involved. Chad and Matt were really great to work with.

I am glad I was elected as your Junior Class President. I am proud to have been able to represent the great class of '81.

Leslie R denhour

Being a part of the student government is exciting and has a lot of challenges and hard work. I had a lot of good ideas for this year and being in office put them to use. Leslie and Chad really listen to what I have to say, and they support it and then we combine our ideas.

Putting an idea to work is a reward in itself because it's showing me that I'm contributing to keeping B.L. on top!"

SOPHOMORE OFFICERS

Jennifer Smith
Secretary

Arlene Zisumbo
President

Christy Graff
Vice president

Sophomore class officers for this year were Arlene Zisumbo, Christy Graff, and Jennifer Smith. One of their main goals during the year was to get the sophomores more involved in the school activities. The officers worked hard together to make this a great year for the sophomore's and for the entire school.

The sophomore spirit bloomed as the officers focused their attention on "Sophomore Week." Monday was Taco Time Night. Students gathered with burritos and tacos for a swell evening. Tuesday found the Scots decked out in Levi 501 Blues. That night was movie night at Mann Theater. Wednesday, Boy George would have had a "hayday" because it was opposite-gender day. Thursday was full of Scottish pride. We dressed in any form of plaid possible. Friday, white, and blue were the popular colors of wardrobe. Thank you, Sophomores, for making this week a great one for us.

What is a "Sophomore"?

Standing with spirit,
proud and great.
Fighting Scots of '88.

THE INTERVIEW

Brett Earl

Brett's hobbies include classical music, girls and school. When Brett was in elementary school he received the "Hope of America" award. In Mound Fort he was "Bear of the Month" twice, and three times he received 4.0 awards. Brett's original nationality is Indian. Brett enjoys playing sports. His favorite are football, soccer, basketball and skiing. His favorite foods include steak and chocolate chip cookies. Brett's favorite class is geometry/trig because he is challenged to use his mind.

THE INTERVIEW

ARLENE ZISUMBO

When asked why she ran for office, Arlene replied that she wanted to get more involved with school and be in charge of her class. Arlene's goals are to have more sophomore activities and get students more involved. Her hobbies include softball and skiing. When she was in the 7th grade she received the honor of the 'Student of the Month' award. Arlene's favorite class is history because she likes to learn different things from the past. Arlene enjoys working with Christy and Jennifer because they are easy to talk to and they have a lot of fun when they work together. Arlene's responsibilities include notifying her officers when they have meetings and making sure they attend. Arlene is required to attend the Senate meetings.

CHRISTY GRAFF

Clansman: What are your main goals as a Sophomore?

Christy: My main goal this year as an officer is to get more of the Sophomore Class involved. I want them to know that school is good and fun.

Clansman: What is your favorite class?

Christy: My favorite class is probably my geometry class.

Clansman: Why did you run for office?

Christy: I ran for office because I think it's a good experience and I hope that I can do a good job.

Clansman: What are your responsibilities as Vice President?

Christy: My V.P. responsibilities include pretty much going to meetings, giving my ideas, and doing what the President asks.

Clansman: What do you hope to succeed in?

Christy: Like I said before, I mainly want to get as many kids involved as I can and get the Sophomores a little better recognition.

THE INTERVIEW JENNIFER SMITH

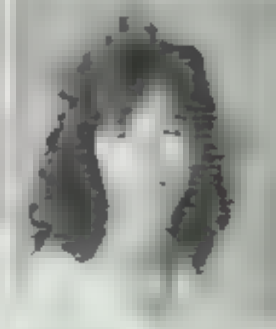

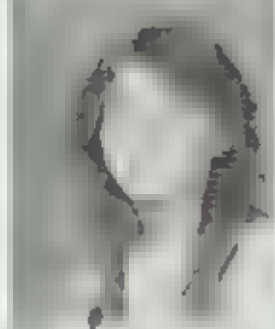

What I enjoy most about being a Sophomore Class officer is the opportunity to be more involved with Ben Lomond and the people here. It's great to be involved and meet new people, it adds a lot to the excitement of being in high school. This year, we Sophomore Class officers hope to succeed in getting more activities for the sophomores. We're not recognized enough or given as many special privileges. We hope to get some assemblies and activities to make our sophomore year as fun as possible. I enjoy working with my fellow officers. Christy and Arlene are great and have good ideas. The junior, senior and student body officers have been great in supporting us and giving us ideas.

THE INTERVIEW

DEBBI PARKINSON

Debbi has developed definite likes and dislikes. She likes hamburgers, pizza, milk and German pancakes. She dislikes practically everything else. Most people think she is very shy but around home and people who know her, she is very outgoing and LOL D!! She played basketball as a Freshman. She enjoys sewing, shopping, and polishing her fingernails.

Freshman Class Officers

Kari Stacey

Being elected to office was something that I have always wanted to do. I like to have an opportunity to give my ideas for things to do. Getting the Freshman Class to be loud and spirited wasn't a hard thing to do considering there were over 400 of us, but still there is always room for improvements and that is what I tried to work at. I had a lot of fun with Stacey and Heather and I hope someday to hold another office with them.

Heather Kunzler

Being elected Freshman Class president started off a great year at Ben Lomond. I have come to know and appreciate the administration, the faculty, but most of all, the student body. I care about what goes on in my school. Making decisions and giving ideas make me feel important. Working with Stacey and Kari is great fun, too. I think we will work together. Thanks Scots for making my freshmen year a success! The class of '89 is great and good luck to the class of '86!

Stacey Baptist

I wanted to be Freshman Class Vice-President because I wanted to be a part of the school and get to know most of the people here at Ben Lomond. Planning the Freshman Week was something I really enjoyed. At this time, I don't plan to run for any office in the future, but then again, things might change and I might decide to go for another office. It's been a great year!

What is a Freshman?

Oh, the ninth grade! That time in life we all have to go through, the confusing time of that rude awakening of receiving a name tag saying, "I'm a freshman!" Freshmen come in all shapes and sizes, with as many different personalities as there are freshmen. No one else but a freshman can run all the way to class, sit down proudly because he beat the bell one more time, and finally realize that he brought the wrong book again. No one else will, nearly in tears, try to tell the principal that his locker is jammed. No one else will stand at the end of the long lunch line, then when he reaches the front, realize he forgot his lunch ticket. All in all, no one but a freshman can get away with so much by using just one excuse: "How was I supposed to know? I'm only a freshman!" But what really is a freshman? Well, when it comes right down to it, one step behind a sophomore, way behind a junior, and not even close to being a senior! But all you freshmen out there don't worry. It's almost over and think of all the fun you had while you were a freshman! This year's Freshman Class officers are President, Heather Kunzler, V.P., Stacey Baptist, Sec. Kai Stacey.

You mean to tell me I'm really a freshman?

THE INTERVIEW

MICHELLE BLAISBELL

When Michelle Blaisbell was asked what some of her goals were at Ben Lomond, she replied

"Take first in a state track or crosscountry meet, play on the basketball team, and get a 4.0." Some of the things Michelle likes about going to Ben Lomond are being able to go to football and basketball games, having different classes each day, and meeting a lot of new people. One thing she doesn't like is everyone making fun of the freshmen. In her spare time Michelle likes to read, to play all kinds of sports, and to just have fun. If Michelle could change one thing at Ben Lomond, she would get more of the student to support the assemblies and games.

THE INTERVIEW CORD DOMAN

Cord Doman's goal in life is to become a surgeon. Some of his hobbies are snow skiing, water skiing, and watching football and basketball games. In his spare time he enjoys going skiing with his friends, and swimming at Ben Lomond's pool. When asked what he likes about Ben Lomond, Cord's reply was, "I like the sports and dances. One of the things he doesn't like is the school lunches. He also added that, "I like Ben Lomond just the way it is."

THE INTERVIEW CARMELITA ROMERO

When Carmelita was asked what she thought about Ben Lomond, her reply was simply, "I really like Ben Lomond. It's a great school and all of my classes are fun." There was only one thing she didn't like and that was when the English Wing's roof leaked. When Carmelita gets out of school she would like to get into computer programming or she would like to get a place of her own where she could start a day care center. Some of Carmelita's hobbies are playing basketball and drawing. Her other interests are babysitting, and singing.

When I asked Carmelita what she would like to do when she grows up, she said she would like to be a computer programmer. When I asked her if she loved this place, she said she loved it.

As a Ben Lomond 'Scot' you should feel a strong sense of pride in what has been accomplished this year as a school and what you have personally gained as a student. This school is the greatest and the students and faculty are responsible for that.

Don Sant

As you reflect over the years accomplishments you will remember Ben Lomond High School as being the greatest. As a 'Scot', always keep in mind your great sense of pride and know that you're giving.

Mrs. Ortega

I have been at Ben Lomond High School for three years and I'm so very proud of the students. The pride they show in themselves and in the school is evident from their actions. I hope that they can continue developing the pride so that their goals can be realized. There is no better high school in the state than Ben Lomond and that is because of the great student body that we have.

Marshal Garrett

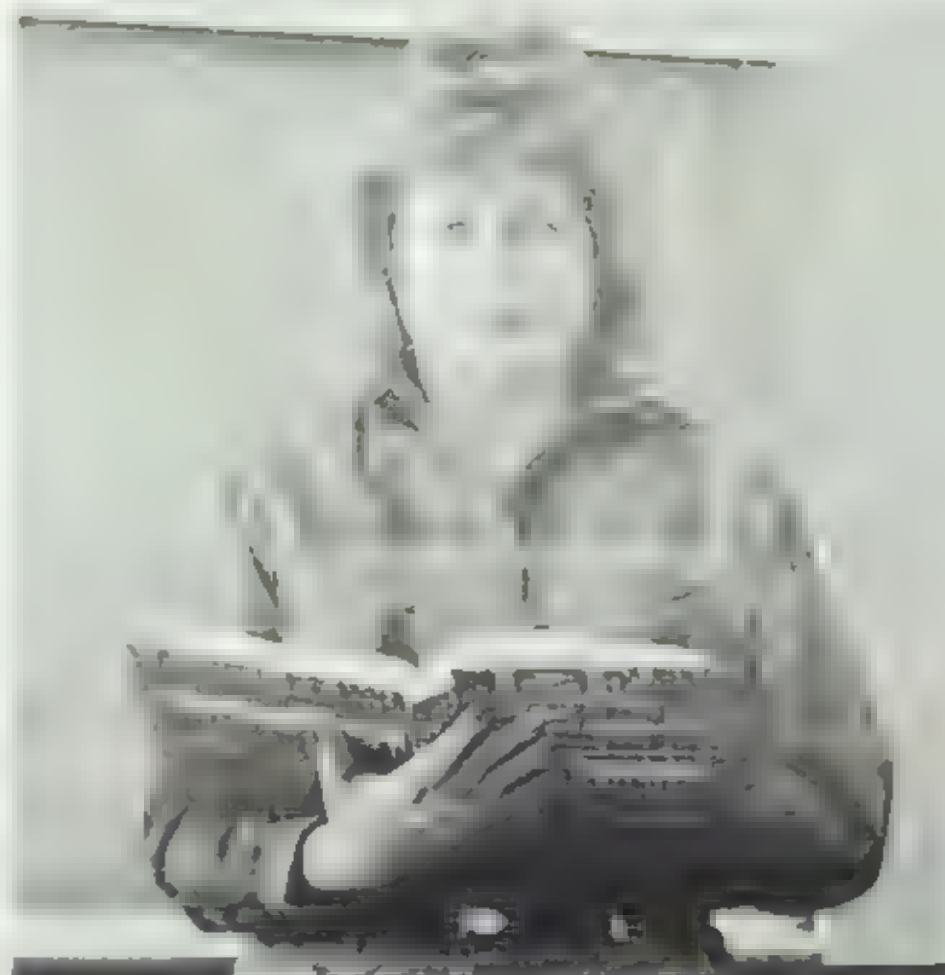

Mrs. Mortenson

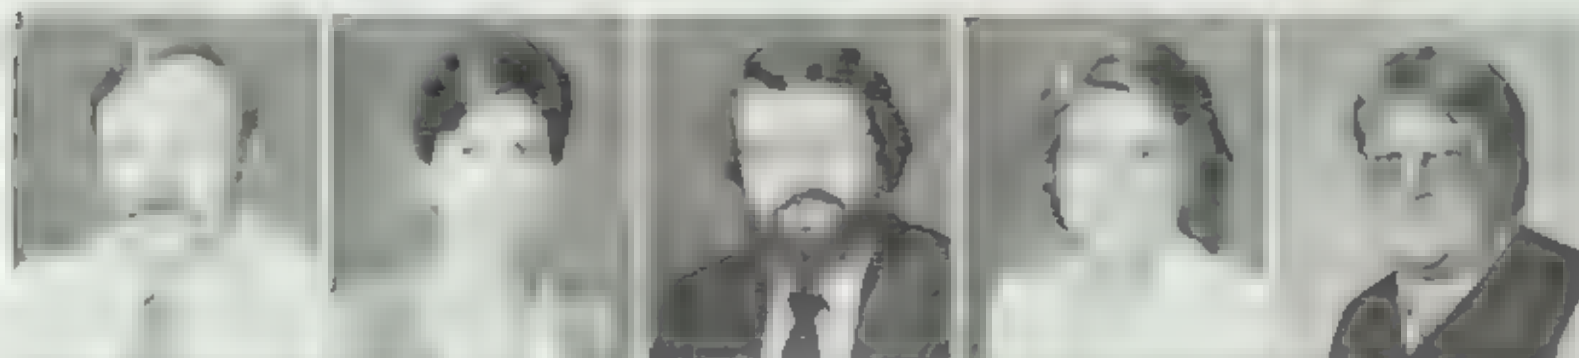

This is Mrs. Mortenson's first year of teaching here at Ben Lomond. Before becoming a teacher at Ben Lomond she taught at Md. Fort, where she taught typing and English for almost twelve years.

Here at Ben Lomond she teaches ninth grade orientation and ninth grade social studies. She also takes part as our advisor for the pep club mascots, and cheerleaders.

Mrs. Mortenson graduated from Ben Lomond in 1964. She is now married and has three grown children. In her spare time she reads and crochets, and loves to eat candy. Her favorite color is blue, and one of her favorite things to do is travel.

Mrs. Smuin

This is Mrs. Smuin's first year here at Ben Lomond and her first year of teaching. She chose to teach at a high school because she enjoys teenagers and thinks they're terrific. She teaches Senior English and creative writing.

Mrs. Smuin is married and has three teenage daughters. Before becoming a teacher, she worked part-time for a doctor along with raising her daughters. In her spare time she enjoys reading a variety of subjects. One of her favorite things to do is to go to the symphony. She listens to many varieties of music.

Mrs. Smuin graduated from Springville High School where she was a cheerleader for three years and was Homecoming Queen her senior year. Following high school she went to BYU for two years and then to Weber State for two more years.

Mr. Tuttle

Mr. Tuttle has taught school for the past nineteen years. Two years were spent teaching on the Navajo Indian Reservation. One year was spent teaching in the Davis School District. The remaining sixteen years have been spent here in the Ogden School District. He mostly taught at the junior high-middle-school level before coming to the high school.

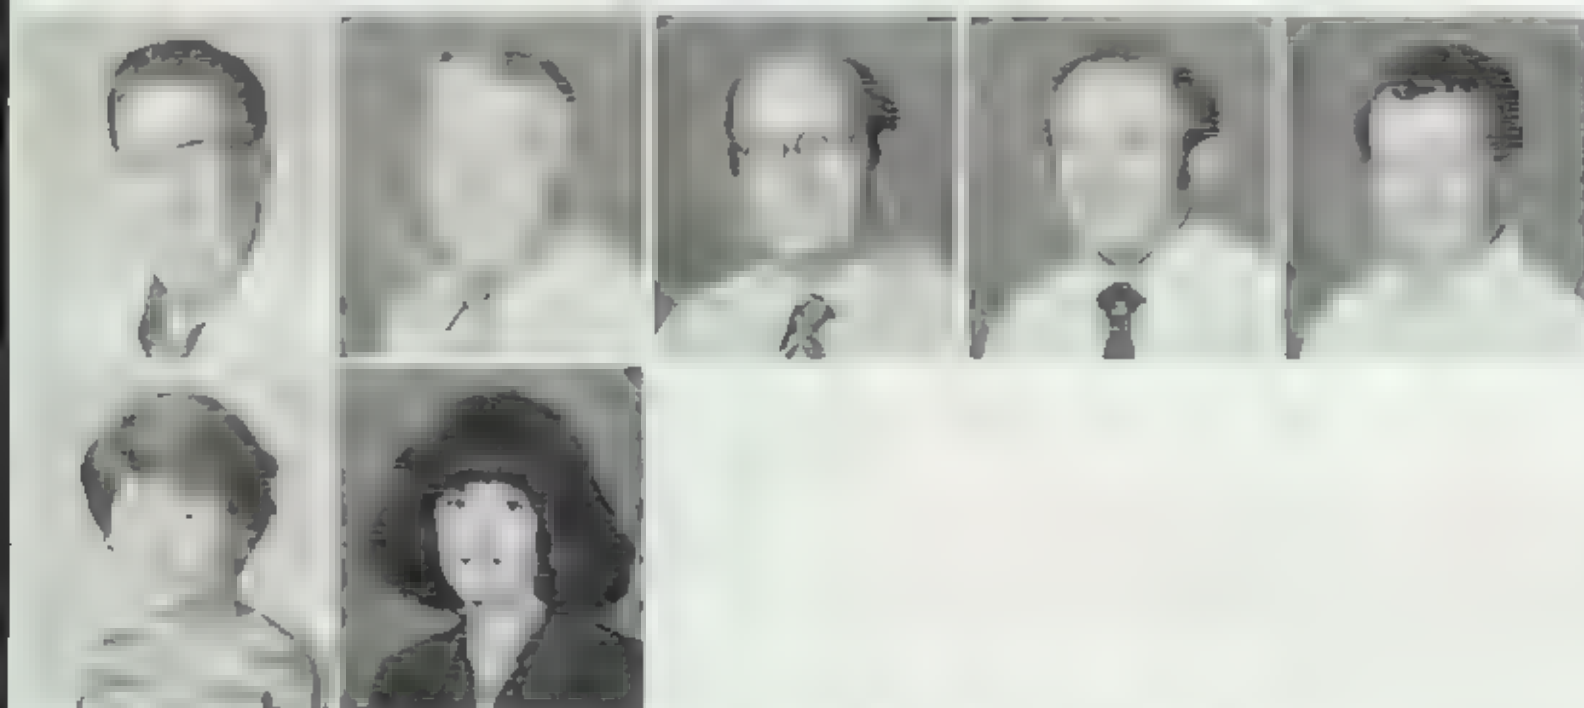

Those years were meaningful and enjoyable. However, I have long felt a need to communicate and teach at a higher level. For this reason, I am looking forward to the years ahead at Ben Lomond High School. I am most happy to be here and wish the best of success to every student.

Sherry Schneider

Ben Lomond High's 'Construction Crew' is a new clan on campus dedicated to providing a support group mode of help to fellow students. We call ourselves the Construction Crew because we build bridges of communication between parents and teens, and build bridges to the future out of the raw material of today. Members volunteer as peer counselors with Community House, sponsored by Weber County Mental Health and PAAG. The Construction Crew also provides an improvisational theater troupe which stages and performs vignettes based on information concerning prevention and intervention of chemical abuse among teens.

Football:

the sport
of strength,
dedication
and pride.

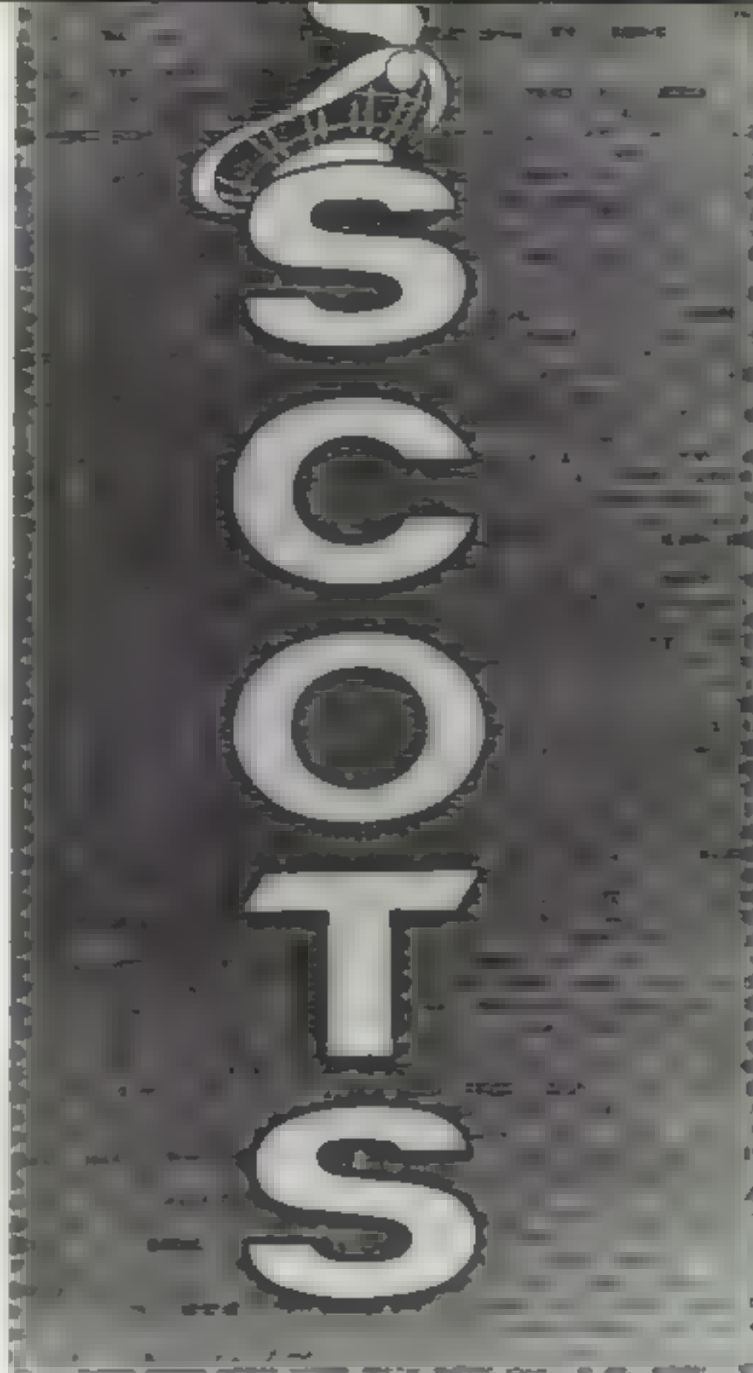

This year's football team had a lot of goals to strive for and they succeeded in achieving most of them. The entire student body was proud to be Scots when the football team slaughtered the Tigers and brought the horse back home. Homecoming is always more enjoyable when you win and our team didn't disappoint us then either. They went to state and even though they didn't go all the way, the team gave enough that we could be very proud of them.

The football team doesn't stop with just the varsity. We have three more excellent teams. Our junior varsity, sophomore, and freshman teams all had great wins and demonstrated that Ben Lomond will have good football teams for many years to come.

The schedule for the Scots looked like this:

| | |
|----------|--------------|
| Roy | @ BL |
| BL | @ Davis |
| Murry | @ BL |
| BL | @ Ogden |
| BL | @ Mt. Crest |
| Sky View | @ BL |
| BL | @ Bonneville |
| BL | @ Bear River |
| Logan | @ BL |

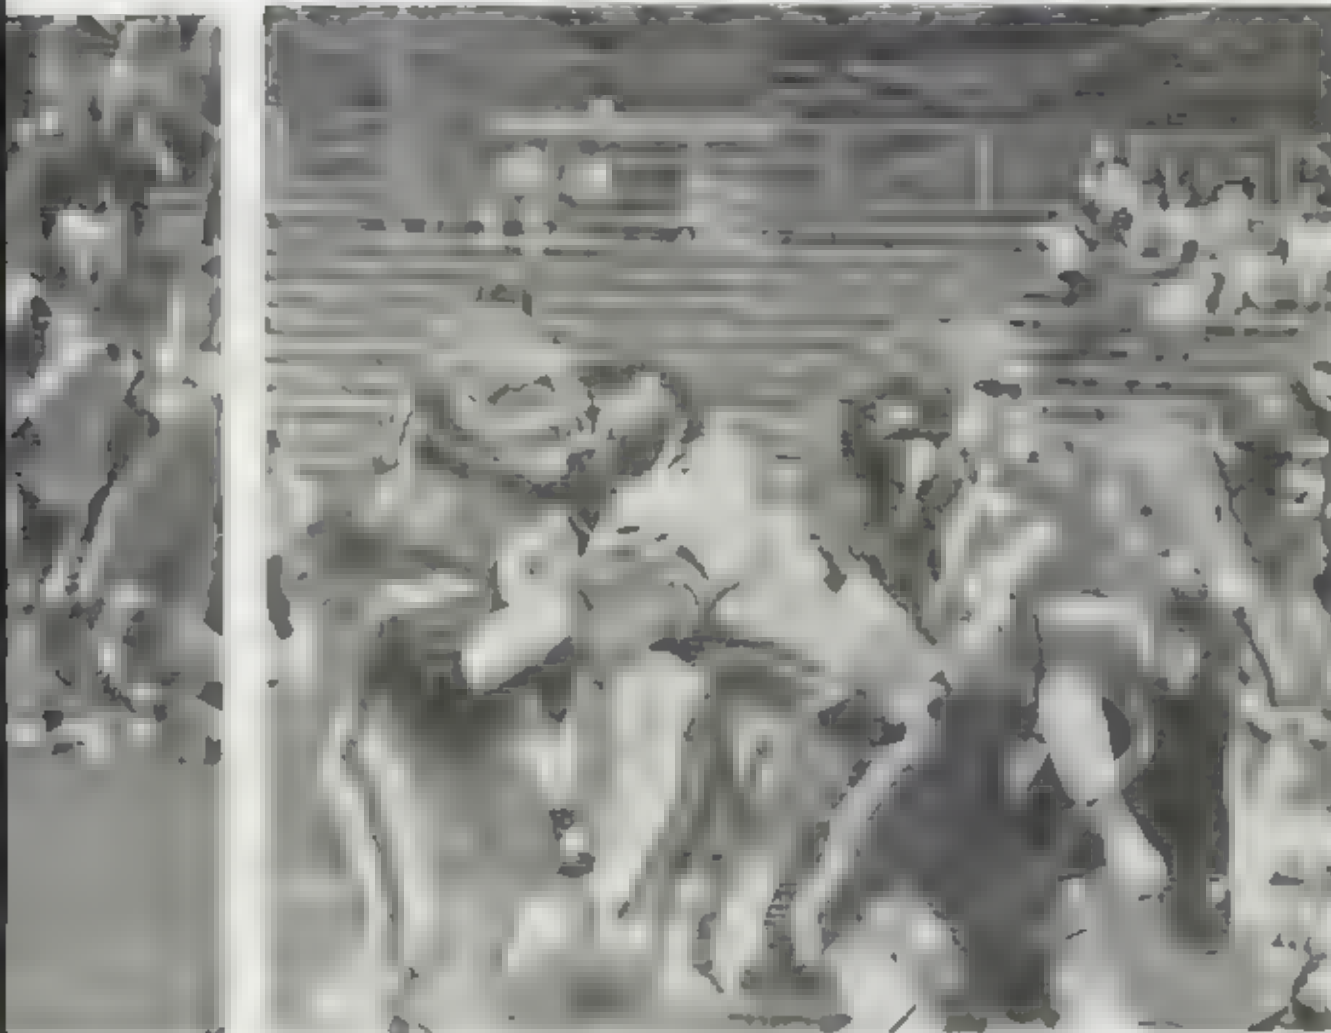

With the Iron Horse and Homecoming victories (just to name a few), the football team showed that they were dedicated to winning, had the strength to do it, and had the pride of the student body with them.

The war was on the field in November for the Tigers.

The Scots play hard even against the 2A school from Murry

Ogden High was no match for Eddie Green

Cross-country team

The Cross-Country team this year continued its long-standing tradition by doing very well in competition. You could find the team almost every day out running the streets on Ogden, unless the weather was bad. On stormy days the new gym's halls were packed with sweating, panting, stomping, hall-insane, self-punishing, hallucinating,

Serving With Style

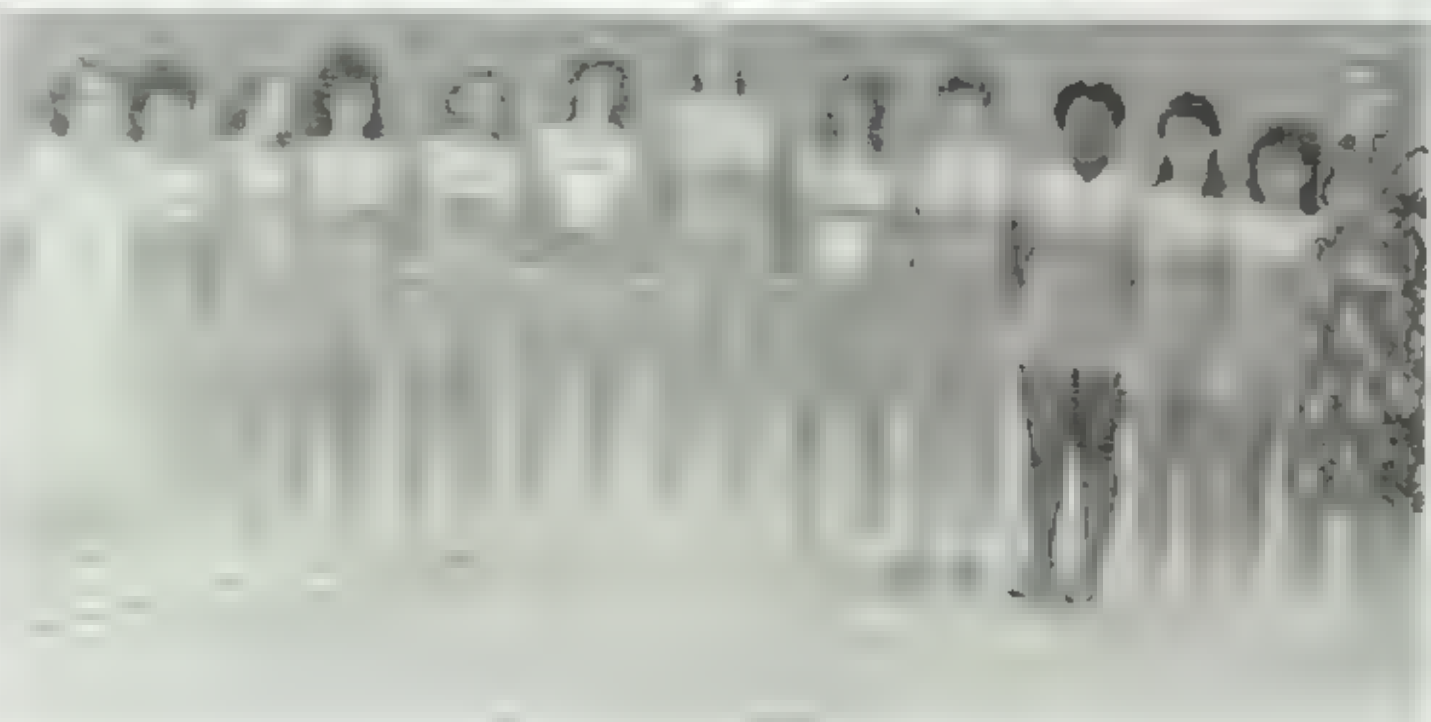

The tennis and volleyball teams managed to show the competitors their great ability

The volleyball team started off the year before we were even in school. The last week of summer for us was the first week of intense conditioning for them. The seniors who came back really added to the greatness of the team. They provided the experience, skill, and leadership that is essential for high school teams. The girls tennis team played with great enthusiasm. Their love for the game motivated them to play in extreme heat and sometimes cold conditions. The competition was always tough, but one must remember that it is only a game. When they would team up in doubles, they showed that unity was something well taught at Ben Lomond.

SHOOTING

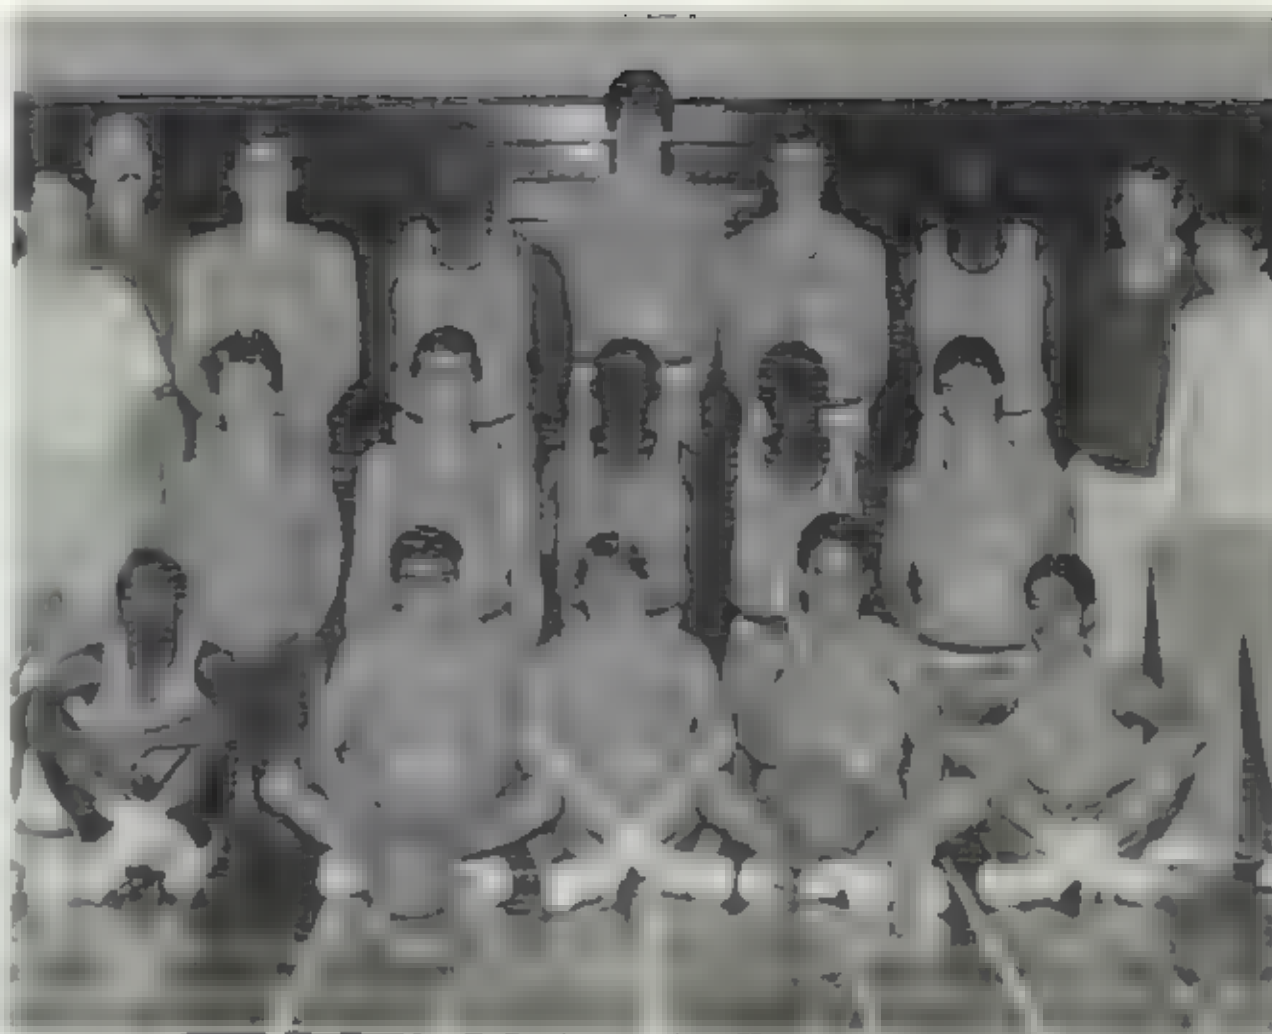

our way
to victory!!!

The senior players are the likely to be the ones remembered the most this year. Eddie a returning starter from last year, brought experience at the forward position. Shawn and Gerald did a great job on passing and controlling the guard line. Larry brought size to the center position.

Kurt did better than ever for his junior year with the help of Mike, Jamie, Scott, Nate, Skip Steven, Shay, and William. These guys gave strength off the bench to make our team the best possible.

THE SEASON WAS A TOUGH ONE ... BUT THE GAME GOES ON.

The girl's basketball team worked hard at trying to make this their best season. It turned out to be just an average one.

Just remember they gave their best and a their effort to put pride into our school activities.

Wrestling

The wrestling team this year did an outstanding job in representing our school. With only six seniors on the team, we can be positive that the team will be just as good, if not better, next year. Unlike football, wrestling is an individual sport. Each team member must work with himself to build his potential strength and confidence. All in all the wrestlers had a better than average season with the following team members placing in their respective events: Jason Spindon 98 lbs., 4TH in region, Darren Landon 112 lbs., 4TH in region, Preston Williams 126 lbs., 3RD in region, Eric Low 138 lbs., 4TH in region, Bodie Holmes 185 lbs., 2ND in region, and Jeff Peterson HW 14RD in region.

Run Your Way To ... VICTORY!

Victory was the name of the game this year with the Track team. They competed and did very well in the Simplot Games. At Simplot the girls' relay team took seven seconds off the Simplot record and won with pride. It has always been a long standing tradition with our team to take region, do well in State, and to give it all they've got!

Their GOAL was to ... SCORE.

Having only lost a few seniors from last year's victorious team (State Champions), this year's soccer team hopes to repeat their successful season. With new outstanding freshman. We have confidence that they will have another winning year. The coaches, Mr. Littlefield and Mr. Duke with their strategic knowledge of soccer, teach the boys skills with vibrant enthusiasm.

We all set out to . . . Make the Laws.

The Student Body Officers for this year were the following: Rob Wilson, president, Darin Youngman, vice president, Tess Chourmos, secretary, Suzanne Taylor, historian, and Stacy Syphers, business manager. They put in many extra hours to make this year for all the students at Ben Lomond. They thought of some great new things for us. The senior shirts were just one of the new things that will probably start a new tradition. They have made their contributions and it will be felt for years to come.

The Student Government was very strong this year. Everyone was actively involved and contributed their ideas to help make the activities better. They all had at least one week that they were responsible for. The senior officers had Homecoming Week and graduation. The junior, sophomore, and freshmen officers all had a week to plan activities for their classes. The Inter-Clan Officers had Scots Week. The activities were enjoyable and fun, and they created memories that will last for ever.

Jamie would like to slow down the fast pace of life.

Debate the issues

This year veteran debate coach, Rob Bishop, defected to Box Elder High. He was replaced by the very able Mr. Chris Noid, who was chosen from a very large field of applicants.

Mr. Noid was an outstanding debater as a Ben Lomond student and finds it interesting to come back as the instructor. Mr. Noid finds himself in the unique position of having to run the debate program after Mr. Bishop's outstanding debate team was decimated by the loss of last year's seniors. Mr. Noid shares Mr. Bishop's belief that events such as Lincoln Douglas, extemp, impromptu and team debate are more important than traditional debating formats. The debate team spends the year honing their skills and gaining valuable experience through encounters. The debate experience was, as always, an extremely important learning experience for the team members. The Ben Lomond students and faculty came to the conclusion that Mr. Noid was a true Scot and everyone looks forward to working with him in the future.

IT'S OUR ... FAULT!

When the end of the year finally comes, students and teachers alike gather together to sign and critique the yearbook. We yearbookers watch faces to get some sort of a silent approval in the form of a smile or good comment.

We would like to make a public apology to all teachers whose classes

were constantly interrupted. Sometimes when deadlines crept up on us and hovered over the yearbook room like ticks on a coonhound, we found it necessary to skip a few classes once in a while. Try to forgive us.

A lot of work goes into the book: copy for almost each page, pictures, names, and most important a whole lot of memories. Hopefully each person who receives a book will relive the year by thumbing through the pages. ENJOY IT!

"...mean the deadline is tomorrow!" says Paige Sheffield, who works on the 10 commandments.

CHEERLEADERS . . . PROMOTING SCHOOL SPIRIT.

The 2005-06 Varsity Cheerleaders started the year out with practices every morning at 6:30 in the summer and continued through the year. During their camp, they received superior ribbons and a trophy for their evaluations. They received a spirit megaphone and an outstanding squad plaque. In the 24th of July Parade, the cheerleaders took first place with their pyramids and chants. The cheerleaders were in charge of Iron Horse Week which turned out to be a success with activities such as, the Powder Puff Game, Treasure Hunt, a pep assembly, Pizza Night, carnation selling, Tiger Hunt, Crazy Date Night. The week ended with a victory over OHS which brought home the Iron Horse. Besides all of these activities, the cheerleaders support the varsity and junior varsity football teams, boys' varsity and JV basketball teams, track, soccer and help promote spirit throughout the school.

Always playing and never working is the Douglass trade mark.

Kathy Forking and Danielle Mauer help with the school activities.

SPIRIT CLAN

85-86

The 1985-86 season saw the start, or rather rebirth of the pep club for BLHS. The purpose of the pep club is to provide a group of students to yell with the cheerleaders to support the teams, and create more spirit, pride and enthusiasm at the games. The cheerleaders are responsible for working with the pep club and teaching them the cheers. Karen Mortenson is the advisor.

Practices started at 7:00 a.m. and the cheerleaders worked hard to get the team ready. In addition to practicing, the following officers were elected:

| | |
|----------------|---------------|
| President | Amy Bierke |
| Vice President | Tracie Taylor |
| Secretary | Dana Wessler |
| Treasurer | Alsa Kear |

Our first activity as a pep club was to participate in the 24th of July parade here in Ogden. We walked behind the cheerleaders and did special cheers to let people in Ogden know who we were.

The start of school and football season found us at all the home and away games cheering our team on to a great season. We have a pep club outfit of red and white which we wear on game days at school and the games. The pep club tried its best to let everyone know who we were and that we were proud to be from BLHS.

The pep club is an activity for everyone who would like to support their school with their school spirit. It's a way of getting acquainted with everyone and is lots of fun. So why don't you come out and help us next year!

We've got spirit—Yes we do!
We've got spirit—How about you?

Kerri Hills

The Bonnie Lassies' schedule for this year has been one that was full of activities. The end of last year was when it all started with tryouts. As in the past, these were not open for the students to witness. After the names were announced, plans had to be made for camp, parades, and other performances that were to occur during the summer time. They went to camp up at Utah State University. This consisted of one week of strenuous practice drills, and perfecting moves. They returned with a superior and an excellence medal. Then at the 24th of July Parade they performed drill for two hours. They were invited to drill at Rocky Mountain at the Salt Palace. The Bonnie Lassies are always looking forward to school starting and learning new drills for the coming year. This means spending the last of their summer days getting up early and going to the gym to practice for hours. Now that it is all over, we can look back and appreciate the Bonnie Lassies for all their hard work and time.

Inter Clan Officers

Jennifer Nicholas
Secretary

Being an Inter Clan Officer has really been a great opportunity for me. It has given me the chance to work with a bunch of super people and for a wonderful studentbody. I've learned what it takes to be a leader and I'm grateful for this experience. SCOTS ARE GREAT"

Chris Knapp
President

I have always wanted to be actively involved in high school. Being given the chance to be Inter-Clan President was something I decided I wanted to do a long time ago. My job was to organize the clans, help to keep them going. In January, the Inter Clan was responsible for the Gathering to the Clans Assembly. The year was busy but I enjoyed it. Thanks Scots!

Jill Hislop
Vice President

I really enjoyed being the Inter Clan Vice President. I have learned how to talk to teachers and administration. I learned how to organize things such as the time, etc. It has been really fun working with Chris and Jennifer; they've taught me a lot. I have also had the pleasure of working with the student body officers.

DRAMA CLAN

The Drama Clan is a group of students who are interested in acting and stage production. They have been working on a play called "The Merchant of Venice" and have been practicing their lines and stage movements. The group is led by their teacher, Mr. [Name], and they have been very successful in their performances. They have been invited to perform at several schools and have received many compliments from the audience. The Drama Clan is a great way for students to express their creativity and talent.
